Unity
Showing respect in the Community. People have to work together and the community will be good. We have to work if we want the community will work.

This show you can be equal everyday without hating each other

both girls and boys can

Into this photography there is two people they show some respect and love like sister and brother. Put and into this photo and we want to show other people in the Unity.

Love
The people each other how love goes and how love doing each other

Love and respect
Showing love and respect each other this is not happen now we must Do it in our lifes

boy is an appreciation
I got a flower and then the girls appreciation to the boy by having respect to the boy given the girls flower and the girls real happy

sometimes boys and girls are fighting at school we are holding hands

Speaking together
They are planing about the positive things and what can they do at school

Girls are stronger than him

Boys and Girl must work to gather
Boy and Girl are cleaning a garden. It shows that a girl can clean the garden. They cleaning beside bullying the girl.

Together ness
together-ness

Girl and a boy are playing together
The girls are stronger than the boy THE girls feel happy by playing with him

Boys And Girls are playing without bullying
The girl and boy must be equal They can share the idea so that

It shows that both girl and boy can play together
Both girls and boies must working together and take care of future

In our community boys and Girls don't play together but now they are playing together

This picture is about a girl and a boy they are both take care of flowers. when I grow up I want my children like these.

It shows gender equality.
